NEWSLETTER OF CHRIST NAGAR HR SEC. SCHOOL

August, 2026

Principal's Desk

Education plays a vital role in moulding the individuality of a child into that of a healthy, strong, and happy person. At Christ Nagar, we strive to provide not only academic excellence but also the skills and values necessary to help every child face the challenges of the 21st century in a balanced and harmonious manner.

All the activities at Christ Nagar are designed to nurture our children and promote the development of a healthy mind and body.

This newsletter reflects how our students are preparing themselves to face the challenges of life by actively

participating in a wide range of academic, co-scholastic, and extracurricular activities. Such experiences help them develop a strong mind and body while enhancing their academic performance and essential life skills. I extend my heartfelt congratulations to all the staff and students for their dedicated efforts in bringing out this beautiful School Newsletter. I also express my sincere gratitude to all the parents for their constant support and encouragement throughout the year.

With warm regards,

Rev. Fr Jojo Vadakkeparampil CMI
Principal
